

# Bryson Ward

---

## About Me

I graduated from Ball State University with a Bachelor's degree in Computer Science. These various programs have given me lots of skills that I have been able to apply to the real world. They have helped me find the path I am on today and realize exactly what I want to do for the rest of my life. I hope to continue to learn new skills and become a full stack developer.

## Experience

### **April 2020 - Present**

Self-Employed • Construction • Home Remodeling

### **Sept 2016 - Feb 2020**

Manager • Front Desk • Baymont Inn and Suites

### **April 2012– Sept 2016**
